Report of Principal and School Improvement Council

D. W. Daniel High School opened in 1955 when three community high schools were consolidated into a centrally-located facility. Though much has changed in our community since 1955, the desire of our parents remains the same: to make sure their children receive the best education possible in a society much different from the one they entered after high school. Daniel High School reflects the community's desire in its mission to "prepare students for the challenges and opportunities of an ever-changing, technological, global society in a safe, caring, and community-supported environment." Daniel High School is one of four high schools in a rural county-wide school district. Our student population serves approximately 1040 students in grades 9-12. DHS has established a tradition of excellence that is not only evident throughout all areas of our school but is also recognized across our state as school that provides a top-notch education for our students. In 2011-12, we offered 10 AP courses with a combined enrollment of 103 different students. Our students also routinely score above state and national averages on HSAP, SAT and ACT tests. US News and World Report named Daniel High as the top traditional public high school in SC. Daniel's successes are not limited to academic performance. Our students excel outside the classroom as well. Students participate in various academic competitions. This year we added a Cyber Patriot Team to reinforce STEM education in our AFJROTC program and an FBLA organization to support our students' interest in business careers. We believe that our extra-curricular organizations promote leadership and are vital to our students' overall growth. Our athletic teams regularly compete for regional and state championships. Students in our fine arts program participate competitively in regional and state competitions and share their talents in the community also through our annual May Show. Our students' commitment to service learning is a commendable component of Daniel's tradition of excellence. Our students recognize that it is important to share their time and talents with their community. The belief that we are responsible for helping all students learn is a key belief among our faculty. As such, we offer weekly after-school tutoring programs staffed by DHS teachers. We also offer HSAP preparation sessions to make sure our students are ready for the exit exam. Another key effort in helping students be successful is our FastTrack program. This program offers a cohort group of 9th grade students the best possible academic opportunities and helps them get off to a strong start in earning their high school diplomas. Our teachers have high expectations for our students and themselves. Seventy percent of our professional staff holds advanced degrees, and 21 teachers have achieved National Board Certification. Through continued professional development our teachers model life-long learning as an encouragement and example to our students. While these accolades and accomplishments reflect the diligence and achievements of Daniel High School, the real focus of this institution is serving the needs of the young people from our three communities. For over fifty years Daniel High School has provided experiences that enabled our graduates to face future challenges with confidence and enthusiasm.

ESEA/Federal Accountability Rating System

In July 2012, the South Carolina Department of Education was granted a waiver from several accountability requirements of the federal Elementary and Secondary Education Act (ESEA). This waiver allowed SC to replace the former pass/fail system with one that utilizes more of the statewide assessments already in place and combine these subject area results with graduation rate (in high schools) to determine if each school met the target or made progress toward the target. This analysis results in a letter grade for the school rather than the pass/fail system of previous years. For a detailed review of the matrix for each school and districts that determined the letter grade, please use the following link: <http://ed.sc.gov/data/eSEA/> or request this information from your child's district or school.

Overall Weighted Points Total	92.3
Overall Grade Conversion	A

Index Score	Grade	Description
90-100	A	Performance substantially exceeds the state's expectations.
80-89.9	B	Performance exceeds the state's expectations.
70-79.9	C	Performance meets the state's expectations.
60-69.9	D	Performance does not meet the state's expectations.
Less than 60	F	Performance is substantially below the state's expectations

Accountability Indicator for Title I Schools

D. W. Daniel High School school has been designated as a:

- ☐ Title I Reward School for Performance - among the highest performing Title I schools in a given year.
- ☐ Title I Reward School for Progress – one of the schools with substantial progress in student subgroups.
- ☐ Title I Focus School – one of the schools with the highest average performance gap between subgroups.
- ☐ Title I Priority School – one of the 5% lowest performing Title I schools.
- ☐ Title I School – does not qualify as Reward, Focus or Priority School.
- ☒ Non-Title I School – therefore the designations above are not applicable.
